These amounts indicate the minimum per seat annual contribution necessary in each section. Meeting the minimum amount DOES NOT GUARANTEE seating in a particular section if you are requesting seat changes, additional tickets, new season tickets or individual game tickets. Seating is based on availability and all requests will be filled in priority point order. Please see below and pages 11 and 12 for more information.

Separate per seat donations are required for football and men's basketball. 50% of your total contribution is due by April 30th and the second half by July 30, 2010 for football.
